

Wyoming Chapter

Public Safety Communications Awards Program Nomination Package for 2024 Awards

The deadline for all nominations is October 28th, 2024

WYOMING APCO PUBLIC-SAFETY COMMUNICATIONS INFORMATION TECHNOLOGIST

Instructions

Eligibility

Nominees must have been employed by or in a position to have supported a public safety agency any time between September 1, 2023, and September 1, 2024, or have retired within the last 12 months. Nominees do not have to be members of APCO. Persons submitting a nomination or being nominated must be a.) Residents of the United States or its Territories OR b.) Residents of an International Chapter (not in a Global Alliance location) of APCO International, as contained in APCO Policy Manual Article XIII, Section 13.1

Sample job responsibilities and titles for this position are provided on this form as **examples** to help you determine whether your nominee is eligible for this award category. Specific responsibilities and titles may vary by agency and are not limited to the lists shown here.

Sample Job Responsibilities

- Provides technical support and performs professional work related to the operation and support of computer hardware, peripherals, and software applications.
- Participates in the evaluation and implementation of new computing technologies.
- Performs complex level application support work on the agency's computer applications systems.
- Provides project and program leadership to professional and technical staff.
- Provides project management for large scale support projects.
- Performs routine to complex level application support work on the agency's computer applications systems.
- Performs advanced level telecommunications work related to the purchase, installation, and maintenance of communications equipment.
- Performs technical work gathering, analyzing, and summarizing data.
- Performs and coordinates the activities necessary to administer and manage the databases and systems used within and across departments throughout the agency.
- Designs and develops GIS applications.

- Provides analytical modeling in support of planning functions.
- Manages and coordinates the design installation, upgrade and maintenance of agency wide network systems.

Sample Job Titles

Systems Administrator, Information Technologist Specialist, Information Technologist, Network Administrator, Systems Engineer, Senior Computer Analyst, CAD/GIS Administrator, Network Services Supervisor, NCIC/CAD System Manager, Technician, 9-1-1 Systems, Information Technology Coordinator, Senior Project Manager, Records Technician (MSAG Coordinator), Mobile/CAD System Administrator, Information Technology Specialist 4, IT Tech and Address/Mapping Coordinator, etc.

Completing this form

- Save a copy of the downloaded version of this document to your computer's hard drive.
Nominations will only be accepted using this form.
- Type the required information directly into the saved version of the document.
- Be sure to include information for *all* requested sections.
- Include specific facts or examples wherever possible to back up your comments.
- Ask someone to proof the form before you submit it: Are there grammatical errors? Is there information that is unclear? Do the descriptions provide enough detail to "paint a picture" of the performance and contribution of the nominee to public-safety communications?

Submitting your nomination

Email the completed Microsoft Word nomination form as an attachment to jenifer.buller@sweetwater911.org If you are unable to email the nomination, you can mail it to Jen Buller @ 5 Shoshone Ave. Green River, WY 82935 All nominations must be received by **Noon, October 15, 2022.**

The Criteria

Nominators – **Please answer each question on this form individually under the questions.**

You may do so by expanding the space after each question or repeating the questions on additional pages as needed to answer each question separately. Each answer has a number value, so questions left unanswered will negatively influence the scoring of the nomination.

1. Describe the nominee's public safety communications agency. Please include staffing levels, size, and discipline (law, fire, Ems, PSAP only, etc.).

2. Describe the nominee's daily and additional pertinent duties and responsibilities.

3. Tell us how long the nominee has been at this job and any previous public safety communications positions the nominee has held.

4. Describe how the nominee functions as a team player.

5. Describe how the nominee demonstrates his/her knowledge of the profession and flexibility in task assignments. Provide an example of how the nominee may go above and beyond what may be required of an individual in this position.

6. Describe how the nominee ensures the reliability of the agency's internal computer system and protects the integrity and security of the agency's data.

7. Describe how the nominee ensures the agency meets and maintains external (local, state, and federal data security) requirements.

8. Describe how the nominee utilizes innovative solutions and applications to further the mission of the organization.

9. In one page or less, describe why the candidate should receive the 2022 Wyoming APCO Information Technologist of the Year award.
