The Criteria

Nominators – Please answer each question on this form individually under the questions. You may do so by expanding the space after each question or repeating the questions on additional pages as needed to answer each question separately. Each answer has a number value, so questions left unanswered will negatively influence the scoring of the nomination.

1. Describe the nominee’s public safety communications agency. Please include staffing levels, size, and discipline (law, fire, Ems, PSAP only, etc.).

2. Describe the nominee’s daily and additional pertinent duties and responsibilities.

3. Tell us how long the nominee has been at this job and any previous public safety communications positions the nominee has held.

4. Describe how the nominee functions as a team player.

5. Describe how the nominee demonstrates his/her knowledge of the profession and flexibility in task assignments. Provide an example of how the nominee may go above and beyond what may be required of an individual in this position.

6. The work of a Public Safety Radio Frequency Technologist involves rapidly changing technology. How does the nominee keep his or her expertise current?

7. Maintaining and troubleshooting radio and communications equipment means dealing with many vendors and different types of user agencies. Describe how the nominee develops and employs good communication with all involved.

8. In one page or less, describe why the candidate should receive the 2022 Wyoming APCO Radio Frequency Technologist of the Year award.
